

Portable CHLORIDE-METER **DY-2501B**
For Hardened Concrete

<Field Test System>

***“Both Hardened & Fresh Concrete
Can be tested with this system for chloride”***

- Measurement

- Content of Acid Soluble chloride(%)
- Content of Water-Soluble chloride(%)
- Total Volume of chloride (kg/m³)

- Range : 0.0005 % ~ 2.0000 % (Cl⁻)

- Measuring Method : By Combi chloride ISEs

- All Function-In-One

- Automatic Temp. Compensation (ATC)

- Memory Recalling holds 100 Readings

- Digital Digit LCD

- Fast Response : Abt. 2 Min

- CE Mark Accredited
